

## What is an Emergency/Big Sickness?

- BIG INJURIES - bad falls, lots of blood, big wounds
- MOTOR VEHICLE ACCIDENTS
- BITES or STINGS - snake, spider, scorpion, dog, box jellyfish
- FEVER - high temperature, burning up, sweating
- BREATHING - short wind, too fast, having trouble breathing
- HAVING FITS
- CHEST PAIN
- STOMACH PAIN - with vomiting and/or fever (burning up)
- BABY PAINS
- MENTAL HEALTH PROBLEMS - any worrying problem
